

Moving & Storage Simplified.

We all know that a clean, uncluttered home, sells faster and for a higher price. PODS® helps make decluttering easier and more convenient by providing on-site or warehouse storage—it's your choice.

So let's say your house sells quicker than you expected, but you haven't closed on your new home. No problem. Pack at your own pace, then we'll store your valuables in one of our safe and secure warehouses, and deliver it when you're ready either across town or across country.

We bring it.

We bring you an empty storage container.

You pack it.

You load it up when you want to. When you're ready, we pick up the container.

We store it.

We store it in one of our secure storage centers, then deliver it to your new home—across town or across country.
