### **Mission Statement/Program Description**

The mission of Sanderson High School is to accept and to reach all of our students and to prepare them to become self-reliant, well rounded, and productive in an ever changing world.

At Sanderson, we believe that:

- \* all students can learn
- \* Learning is a life-long process
- \* Education is a shared responsibility
- \* Everyone has worth and dignity and deserves respect
- \* A safe and comfortable school environment enhances learning
- \* Our democracy cannot thrive without an educated citizenry
- \* Every student has the right to a quality education

Over two hundred courses in regular, honors, special programs, academically gifted, and advanced placement classes are offered. A four-year curriculum in Air Force ROTC is also available as well as a curriculum for English as a Second Language students.

#### Fall 2002-03 Student Population Characteristics

			M	ale					Fem	ale			Total
	White	Black	Asian	Hisp	Multi	AmInd	White	Black	Asian	Hisp	Multi	AmInd	
Grade 9	152	121	3	21	5	0	135	102	2	32	3	0	576
Grade 10	123	67	5	13	1	0	109	57	5	13	2	0	395
Grade 11	117	38	7	7	3	1	121	52	5	6	2	0	359
Grade 12	120	31	5	8	2	1	107	38	8	6	4	1	331
TOTAL	514	257	20	49	11	2	472	249	20	57	11	1	1,663

Note: Counts of students refer to the membership on the 20th day of the school year. Membership means the number of students being served in a school at a particular time.

#### **Students Identified for Special Programs**

	1999-00	2000-01	2001-02	2002-03
Academically Gifted	466	398	341	336
Students with Disabilities	N/A	200	200	236
Limited English Proficiency	N/A	72	72	88
	1999-00	2000-01	2001-02	2002-03
Total Membership at End of First 20 Days	2017	1634	1525	1663
Percent Receiving Free/Reduced Lunch	12%	15%	16%	20%

#### **Student Mobility**

Student Mobility describes how much students move into, out of, and between schools. Mobility can impact classroom planning and student performance when students leave and are replaced by other students whose needs must be assessed.

One measure of mobility is "stability"-- the percentage of students at a school at the end of the year who were continually enrolled in the school since the first week. The higher the percentage, the more "stable" the student population has been.

Average Daily Attendance (calc. at end of school year)

Another measure of mobility is "turbulence"— the movement in and out of a school during the year after the first 20 days. This is calculated by adding all entries and withdrawals and then dividing by the cumulative enrollment (all students who enter the school during the year). The lower the percentage, the lower the impact of entries and withdrawals on school operation.

#### **Stability:**

#### Results from the North Carolina ABC Accountability Program

In 1996, the State Board of Education was given the authority to implement a plan which sets student achievement goals for every North Carolina school. The "ABC" Plan for high schools in 2002-03 set goals for student performance in ten courses in which students take End-of-Course (EOC) multiple-choice standardized tests. Two levels of gain ("Expected" and "High") were set by a formula developed for the State Board of Education. The formula generated predicted EOC scale scores for each course at each school based upon the prior achievement of the students in that school. The actual average scores achieved by the students were then compared to the Expected and High target scores. In addition to comparing average EOC scores to predicted target scores, the formulas examined change over time across cohorts of students in dropout rates and the percentage of graduates meeting requirements for entry into the state university system and Tech-Prep programs.

#### **Performance:**

The "Performance Composite" for every high school was defined as the percentage of all EOC tests administered in the school on which students achieved Level III or Level IV scores. (See pages 5 and 6 of this profile.) Schools with 80-89% of test scores at or above Level III were designated as "Schools of Distinction," and schools with 90% or more of test scores at or above Level III were designated as "Schools of Excellence" by the State Board of

	<u>2000-01</u>	2001-02	2002-03
The Performance Composite score for this school:	77.7%	77.2%	76.6%

#### **Growth:**

The differences between the average scores shown above and "Expected" and "High" standards for each course were weighted by course participation and then added together to determine whether or not schools met the state's Growth criteria. (Note: A different set of criteria was used prior to 2000-01and results should not be compared to the results shown below.)

In 2000-01 this school: Met High Growth Standard
In 2001-02 this school: Met Expected Growth Standard
In 2002-03 this school: Met Expected Growth Standard

#### Average EOC Scales Scores in this School in 2002-03

Courses Required Students	for All	Elective Courses			
Algebra 1	63.4	Geometry	64.1		
Biology	58.2	Algebra II	66.6		
ELPS	56.5	Chemistry	66.0		
English I	59.3	Physical Science	53.4		
US History	60.6	Physics	67.0		

2002-03 School Year Profiles Page 3 of 8

#### **Other Accountability Measures**

#### **Dropout Rates**

**2000-01:** 2.4% **2001-02:** 3.1% **2002-03:** N/A

The Dropout Rate is finalized several months after the end of the school year. Therefore, the latest rate does not show in this report.

#### **College Preparation:**

The percentage of graduating seniors who successfully completed all courses required for entry into the University of North Carolina system are shown below.

**2000:** 82.5% **2001:** 78.8% **2002:** 74.0% **2003:** 78.9%

#### **Tech/Prep Graduates:**

Beginning in 1998-99, WCPSS graduates were identified as "Tech/Prep Completers" if their course of study included specific courses that prepared them for entry into technical jobs. Below are the percentage of graduates completing Tech/Prep requirements at this school.

**2001:** 0.3% **2002:** 2.7% **2003:** 4.9%

#### **SAT**

SAT scores are not used when calculating state recognition awards but they are reported as part of the accountability program. The following table shows average SAT scores for students who took the test and indicated that they would graduate at the end of the indicated school year. The participation rate is the percentage of the graduating class that took the test.

	Math	Verbal	Total	Participation
2000-01:	535	522	1057	82.2%
2001-02:	546	521	1067	82.0%
2002-03:	531	510	1041	84.0%

#### **Adequate Yearly Progress (AYP)**

AYP is based upon a set of performance targets that high schools must achieve each year to meet the requirements of the federal No Child Left Behind (NCLB) Act of 2001. AYP for high schools is based upon reading and math tests given to all tenth-grade students. The ten student subgroups that must meet prescribed targets in reading and math are: the school as a whole, American Indian, Asian, Black, Hispanic, Multiracial, White, Economically Disadvantaged (FRL students), Limited English Proficient, and Students with Disabilities. Schools are identified as meeting AYP if both reading and math targets are met for all student subgroups comprised of 40 or more students. North Carolina statewide targets in 2003 for tenth-grade were 52.0% in reading and 54.2% in math for grades 3-8.

**For the 2002-03 School Year:** This school DID NOT MEET AYP

It Met: 15 out of 21 targets, or 71% of all its targets.

For more in-depth information on AYP, please see the North Carolina Department of Public Instruction AYP website at: http://ayp.ncpublicschools.org

### **End-of-Course (EOC) Test Results from Courses Required for Graduation**

Proficiency on End-of-Course tests is defined as the percentage of students scoring in Levels III and IV. Test scores for these students indicate that they are well prepared for more advanced coursework in the subject area. The following tables show the number of students taking the tests in courses required for graduation at this school and the percentage of scores in Levels III and IV. If fewer than 10 students are in a group, the entry is blank.

### **EOC Test Results from Five Elective Math and Science Courses**

Students taking five elective math and science courses (Algebra II, Chemisty, Geometry, Physics, and Physical Science) are also required to take End-of-Course tests. As with other EOC tests, scale scores fall into four levels. The following tables show the number of students who took the test and the percentage who achieved a Level III or IV score. If fewer than 10 students are in a group, the entry is blank.

2001-02         273         87%         130         84%         143         90%         202         89%         49         76%         22         96           2002-03         276         78%         125         77%         151         79%         199         84%         53         57%         24         79           Chemistry         All Students         Males         Females         White         Black         Other           2000-01         233         87%         109         92%         124         82%         189         88%         29         79%         15         87           2001-02         199         89%         88         91%         111         88%         156         90%         29         83%         14         100           2002-03         176         93%         125         95%         98         91%         139         94%         31         90%           Geometry         All Students         Males         Females         White         Black         Other           2001-02         298         78%         149         91%         111         81%         213         85%         61         5	Algebra II	All St	udents	Ma	ales	Fem	ales	Wl	hite	Bla	ick	Ot	her

#### **School Effectiveness Over Time**

The Effectiveness Index is a method for comparing the achievement of students in a particular school with the achievement of similar students across the entire school district. The indices are based upon North Carolina End-of-Course (EOC) Tests administered at the conclusion of each of five Core and five Elective high school courses. Variables considered in the model include EOC test scores for each student, each student's special education status, and two measures of socio-economic status. EOC test scale scores are analyzed for all of the students in a school who take an EOC test, and schoolwide performance is summarized by comparing how students in that school perform to how all similar students perform on that test across the school district. If schoolwide performance is similar to what occurs districtwide in 75-80% of schools, the category is labeled "Expected." If performance varies significantly, the category is labeled "Below" or "Above" to indicate that achievement on end-of-year tests was below or above what might be expected based upon the characteristics of the students in the school.

# A Table Comparing This School's EOC Test ResultsTo Other WCPSS High Schools

<b>Core Courses</b>	2001-02	2002-03
Algebra 1	Expected	Expected
Biology	Expected	Expected
ELP	Expected	Expected
English 1	Expected	Expected
US History	Expected	Above

#### **Elective Courses**

Algebra 2	Expected	Expected		
Chemistry	Above	Above		
Geometry	Expected	Expected		
<b>Physical Science</b>	Expected	Expected		
Physics	Above	Above

### **WCPSS Survey Results**

WCPSS conducts annual surveys of parents and high school students using randomly chosen samples of participants. Some of the items on the surveys are kept constant over time so that schools can measure improvement. The following two tables show the percentage of respondents "agreeing" or "strongly agreeing" with selected statements from the Spring 2002 and the Spring 2003 surveys. Detailed summaries of districtwide responses to all survey questions are available on the Evaluation and Research Department website.

2002

2003

**Parent Survey Results** 

- to- 0-10 to to- 10 to	2002	2005
My child's school is a safe place to learn.	95.2 %	95.2 %
My child's school provides a high quality educational program.	90.2 %	84.8 %
My child is given challenging work in all classes.	80.5 %	78.7 %
Students at my child's school are well behaved overall.	80.7 %	71.9 %
The rules of this school are fair.	85.7 %	77.0 %
Teachers in this school really seem to care about the students.	87.6 %	83.5 %
This school promotes understanding among students from various backgrounds	86.5 %	81.4 %
The percentage of Parents returning the survey at this school was:	53%	49%
